How does the language of each passage reflect the tone and mood?

FILL IN PARAGRAPH:

PARAGRAPH 1:

The language of the passage about *_[the Buchanan house/the Valley of the Ashes]_* indicates a *_[positive/negative]_* attitude toward the *_[wealthy/poor]_*.

Words like *_[directly quote 3 words from the first selected text]_* connote *_[explain the connotation of each word, for a total of 3 carefully chosen descriptive words]_*.

[Add an appropriate transition], the description of the people includes *_[direct quote from the passage]_*, revealing *_[explain]_*. This language creates a mood of *_[identify the mood with 1-2 carefully chosen words]_*.

[Add an appropriate transition], *_[your choice: analyze one more aspect of the passage that contributes to the tone and mood with a supporting quote]_*.

Taken as a whole, the passage's tone portrays life in this place as *_[give two new descriptive words]_*.

PARAGRAPH 2:

[Add an appropriate transition], the diction in the passage about *_[the Buchanan house/the Valley of the Ashes]_* depicts a *_[positive/negative]_* attitude toward the *_[wealthy/poor]_*.

Here, words such as *_[directly quote 3 words from the first selected text]_* connote *_[explain the connotation of each word, for a total of 3 carefully chosen descriptive words]_*.

In this instance, the description of the people involves *_[direct quote from the passage]_*, revealing *_[explain]_*. This language gives rise to a mood of *_[identify the mood with 1-2 carefully chosen words]_*.

[Add an appropriate transition], *_[your choice: analyze one more aspect of the passage that contributes to the tone and mood with a supporting quote]_*.

Overall, the passage's tone portrays life in this other place as *_[give 2 new descriptive words]_*.
