

## Literary Analysis #2

Use specific examples and quotations from your reading to answer the following question in essay format. You must include an introduction, body, and conclusion. Avoid 1st and 2nd person pronouns.

Identify, analyze, and evaluate TWO PARTS of Crooks' ever-changing attitude in chapter 4.  
(Crooks displays three distinct attitudes.)

You MUST address Crook's third attitude; however, you only need to address ONE OF THE FIRST TWO attitudes. Remember the chart we made in class?

| Attitude<br>(what?)             | Proof<br>(where? when? how?) | Motivation<br>(why?) |
|---------------------------------|------------------------------|----------------------|
| hostile;<br>mean                |                              |                      |
| friendly;<br>open;<br>outspoken |                              |                      |
| withdrawn                       |                              |                      |

Include ONE of these TWO.

You MUST include this one.
