Of Mice & Men Chapter 1 Quick Write Response

Write a short response to answer the following prompt. Use a **variety** of specific details from chapter one of the novel to develop your ideas and note them with page number parenthetical citations. Include the title, author and genre, and organize your paragraphs with consideration for length and purpose. Adhere to the conventions of standard written English, and **avoid** informal, subjective 1st & 2nd person pronouns. (70 points)

It is obvious why Lennie needs George. However, why does George take care of Lennie when George claims life without Lennie would be much easier? Discuss two reasons George needs Lennie, and develop and support each reason with two quotes from the text. Do not address Lennie's diminished intellect in your analysis.
