***Of Mice & Men* Chapter 6 Quick Write Response**

Write a short response to answer the following prompt. Use a variety of specific details from chapter six of Steinbeck's novel to develop your ideas and note them with page number parenthetical citations. Include the title, author and genre, and organize your paragraphs with consideration for length and purpose. Adhere to the conventions of standard written English, and avoid informal, subjective 1st & 2nd person pronouns. (80 points)

Steinbeck uses a variety of writing strategies to develop his ideas. Which two writing strategies do you find most impressive? Provide two examples of each writing strategy, and discuss how each writing strategy impacts the text.
