SNOWMAN EXTRA CREDIT ASSIGNMENT

In the spirit of a true snow day, let's use some of our newfound time to build snowmen!

Although building a snowman is its own reward, if you follow the instructions below, you can earn extra credit.

Here's your task:

- * Print out this page.
- * Build a snowman or any other snow creature that you'd like. Snowspiders, snowrabbits, and snowmonsters are some of my personal favorite creations.
- * Take a picture of your creation with you in the picture. If you build the snowman with other students, you can take individual photos or a group photo.
- * Have a parent or guardian sign below to verify the authenticity of the photo.

I affirm that my child built this snowman
